

Corporate Partnership Guide

Invest in Music. Culture. Community

The Savannah Wind Symphony is a 501(c)(3) nonprofit arts organization dedicated to presenting high-quality wind band performances, expanding access to live music, and creating meaningful cultural experiences for audiences throughout our region.

Our musicians, patrons, and community partners believe that music is more than entertainment. It is education, connection, civic pride, remembrance, celebration, and inspiration. With the support of visionary corporate partners, the Savannah Wind Symphony can grow beyond the concert stage and become an even greater force for community impact.

We invite your organization to partner with us in building a stronger, more vibrant arts community.
